HANA NO ARU SEIKATSU - A FLOWER'S LIFE

Senpai has been taking care of me since our high school ski club
He also bleached my hair for me
This spring, I'll become a university student, so
We also went clothes shopping, which was kind of fun
Until then, Kurahashi-senpai is letting me stay with him...
MM ...
Move the hand
But please excuse me...
I'm still wary of a person like him
Meanwhile, I'm considering my schedule
Now he's worn out after returning from a competition

Senpai's face is so pretty...
It doesn't mean that, does it....
Aiming at... That expression itself is strange...
Senpai, last night...
CLAP
When I think about it, why would someone like this aim at me
He's really good at skiing, too...
SSS
In the bath, when you put your finger in my ass, I'm sorry for speaking ill of you in my heart.
Well... I'll get dinner ready...

Damn Iyokawa... I fell on the floor for you...
Putting on a good show of sleeping was hard...
Although I've already graduated from high school
When it comes to sexual things, I always get incredibly cold feet
"Iyokawa, you're getting frustrated, aren't you?"
flap

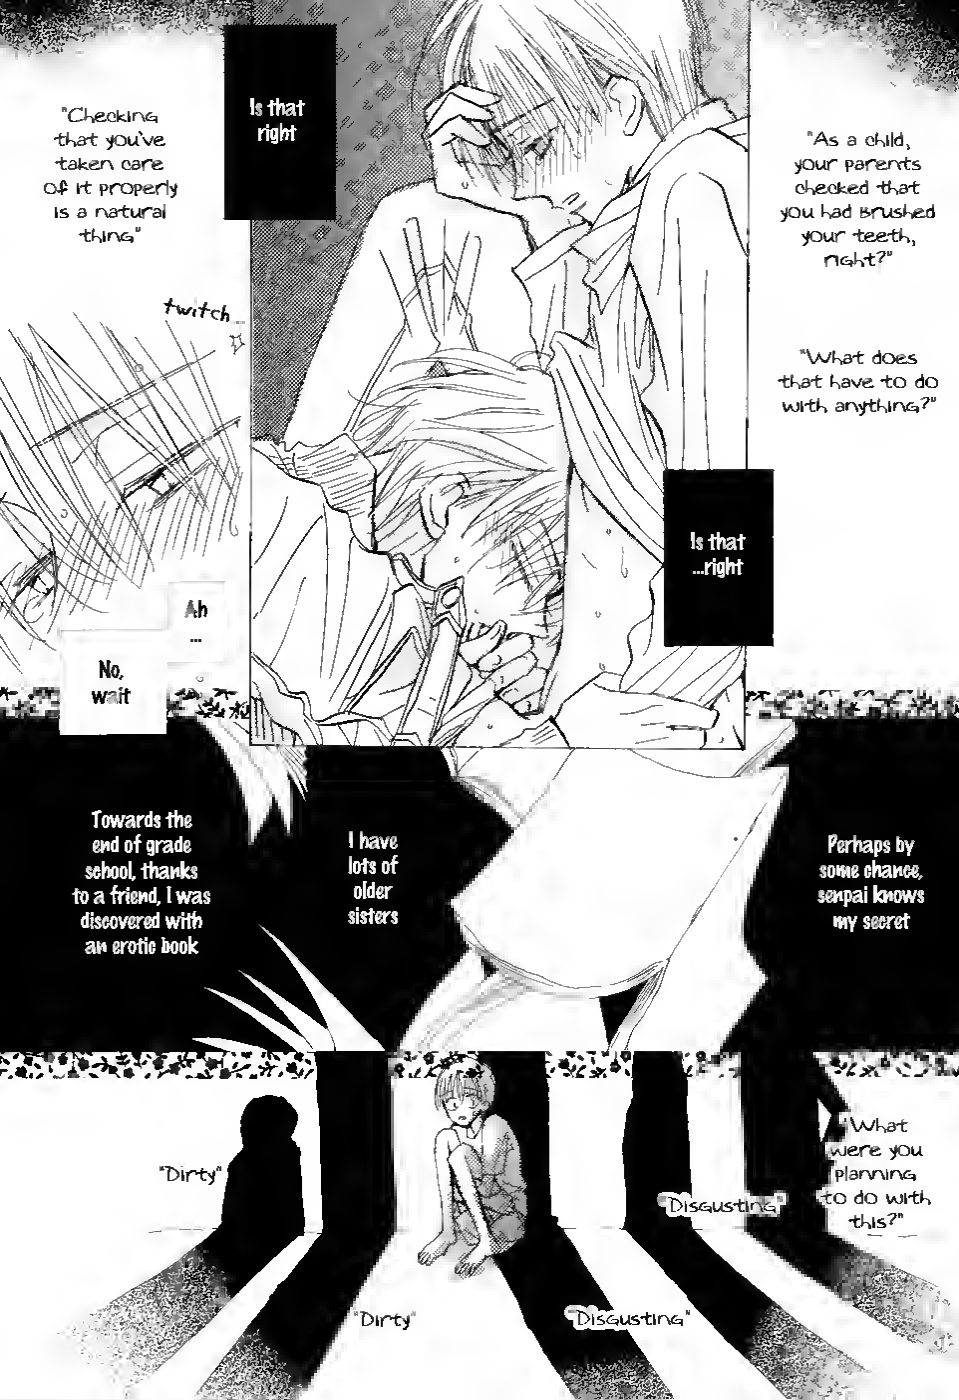
SCRAPE
I can't help crying out in surprise sometimes
SCRAPE

"Um . . . is that so . . . ?"
"Ho-how does it look?"
"You don't even notice it yourself . . ."
"I, I'm not"
"Different. There's a subtle difference . . ."
"Well . . . well, I've been friends with Fujita forever, so . . ."
"If I hadn't known you for so long, I wouldn't notice it"
"You don't have any men in your family, so you don't know, but"
"Look, using the hand is just male bonding"
"That guy's unrelated"



"Checking that you've taken care of it properly is a natural thing"
Is that right
"As a child, your parents checked that you had brushed your teeth, right?"
twitch...
"What does that have to do with anything?"
Is that ...right
Ah ...
No, wait
Towards the end of grade school, thanks to a friend, I was discovered with an erotic book
I have lots of older sisters
Perhaps by some chance, senpai knows my secret
"Dirty"
"Disgusting"
"What were you planning to do with this?"
"Dirty"
"Disgusting"

My friends had told me about masturbation, how to do it and what it was
Of course I intended to try it
And then, in the end, I was never able to do it
I get scared and can't make my hand move
I'm way too self-conscious because of my persecution complex...
No, that's wrong, it's something even worse...
ugh
And yet I distrusted senpai...
Maybe senpai was trying to do me a favor because of that...
Forgive me for thinking you were a pervert...
WAH ... ...

THAT GUY IS SO UNFEELING, IT MAKES SENSE THAT YOU WOULD BE HURT
SENPAI... WASN'T SAYING MEAN THINGS OR ANYTHING LIKE THAT...

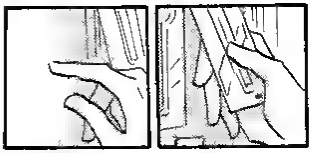
"You've gotten really good at skiing, haven't you?"
What do I do...if senpai was hurt because of that...

Even if senpai hates me
I absolutely don't hate him
I absolutely don't hate senpai
I wanted to become good at skiing
If I got better, I would understand skiing
If I understood skiing, then senpai would notice how good I was
If senpai really noticed—
"Get better so we can ski together"
I... was only pretending I hadn't realized
Already...
No matter how great anyone else may be, senpai understands me the best



I already understand these feelings that are gushing forth one after another...

SO PLEASE STOP HAVING ANYTHING TO DO WITH IYOKAWA ALREADY

Just now my fingers were caressed...
